Ricoh HotSpot Printer™

Instructions

For smartphone users:

(such as; BlackBerry smartphone, Apple® iPhone® or any internet-enabled device)

- 1 Forward an attachment or email any message to the email address listed on the interior of this brochure (address can also be found on each Ricoh HotSpot Printer).
- 2 Your secure print release code(s) will be emailed back to you.
- 3 Press "OK" on the printer-keypad, then enter the release code(s). Follow the instructions on the printer's display to print.

For each HotSpot Printer address and location, refer to the table on the interior of this brochure.

For laptop users:

As a laptop user, you have two ways to print to this printer:

– **Send an email:**

Send an email using Gmail, Outlook, Lotus Notes or any email application. Then follow the instructions for smartphone users above.

or

– **URL upload:**

Use the web address associated with your nearest Ricoh HotSpot Printer (which can be found on the interior of this brochure), and follow these instructions:

- 1 Select document.
- 2 Enter email address.
- 3 Click the printer icon button for release code(s).
- 4 Press "OK" on the printer-keypad and enter the release code(s). Follow the instructions on the printer's display to print.
