

Dear Valued Customer,

In an effort to ensure that your cargo shipping needs are met, we have updated our cut-off times for the Atlanta operation. Please see the below for our newly established international export cut-off times which are effective immediately.

International

These cut-off times apply to the passenger aircraft flights for loose freight and shipper built units

Equation – 90 minutes

Equation Heavy – 180 minutes

Dimension – 240 minutes

Atlanta Freighter

Cut-off time is 1900 for loose freight and 2200 for shipper built units on Tuesday and Thursday evenings.

We look forward to working closely with your team to build additional opportunities together. If you have any questions, please feel free to contact your Delta Cargo Account Manager.
