GENERAL INFORMATION

Delta Cargo accepts tendered shipments in accordance with the IATA Dangerous Goods Regulations. Dangerous goods are articles or substances which are capable of posing a risk to health, safety, property, or the environment when transported by air.

Dangerous Goods, when properly handled, packaged, marked, labeled, documented, and transported in accordance with the regulations are safe for transport by air.

All Dangerous Goods shipments are subject to surcharges according to the type of shipment you book.

SPECIAL HANDLING

All Dangerous Goods shipments must be accepted by an authorized "Dangerous Goods Acceptance Agent" at the cargo facilities listed.

BOOKING

You may book your shipment on deltacargo.com or call the Cargo Call Center at 1.800.DLCARGO.

DOCUMENTATION

Each piece of the shipment must be legibly and durably marked with the name and address of the shipper and consignee. Old labels and markings must be removed or obliterated.

Shipper is responsible for all required labeling of each package containing dangerous goods and the removal of any old/non-applicable labels.

Shipper must complete the "Shipper's Declaration for Dangerous Goods".

DROP OFF/PICK UP

Dangerous Goods shipments may only be accepted at the stations listed and pick it up at the local cargo facility at the destination.

REGULATIONS

All Dangerous Goods shipments will follow IATA Dangerous Goods Regulations.

SHIPPING TIPS:

- Make sure to have all correct labeling for shipments.
- Make sure shipment is properly packaged.
- Make sure all documents are complete.

PACKAGING:

Packaging must be of such a size that there is adequate space to affix all required markings and labels. Labels must not be folded or affixed in such a manner that parts of the same label appear on different faces of the package.

Shipper is responsible for all required labeling of each package containing dangerous goods and the removal of any old/non-applicable labels.
